

Dear Romeo-Washington, Chamber of Commerce

The Romeo High School National Honor Society is in need of community service opportunities. We are reaching out to community oriented organizations in our community to allow us to give back. The Romeo National Honor Society currently has approximately 200 members all of which are required to participate in 50 hours of community service in order to graduate with honors. That's roughly 10,000 hours of community service! We have had very little opportunities to fulfill this need.

Along with the need for community service opportunities there is a need to change the image of the "teenager". If you have watched the news lately you may have noticed that teenagers are portrayed trouble makers. This may be the case for the selected few but the majority of us are honest and hardworking individuals. You seldom hear about the good being done by teens in the community and we want to change this.

We are looking for all sorts of opportunities and projects that will not only benefit the community but also to provide us with experiences and memories to last a life time. We hope you will be of help to our organization and its affiliates.

Sincerely The Romeo National Honor Society,
