

Chamber Members - We Need You!

We need YOUR nominations.

Each month the Chamber Board of Directors chooses a member of the month from our membership.

We need YOUR nominations. The “Member of the Month” is awarded a traveling 24k gold statuette to be displayed in their place of business for that month. Their photo is taken and distributed as a press release to the local papers. At the end of the month, the Chamber collects the award and gives it to the next deserving recipient.
