

# THE GREATER ROMEO WASHINGTON CHAMBER OF COMMERCE

## What is TNT

Today's Networking Team (TNT) is a business networking group offered by the Greater Romeo-Washington Chamber of Commerce as a free benefit of membership. TNT is a weekly opportunity to promote your business with the help of like-minded business professionals. The groups' members work together to promote each others businesses.

Each week the meetings include a commercial given by each member called the "60," which is an sixty second infomercial. Also one of the members (assigned on rotation) will give their "600" which is a six hundred second commercial. In addition, each week members give referrals, testimonials, and share particulars about their business as well as how they help one another in the group. Members represent a variety of businesses, but only one per industry classification is allowed in the group.

The TNT is for serious networkers. To join a TNT group, interested parties must be an active chamber member in good standing. Also, they must not conflict with other business types in the group. For a listing of each team's current members, please visit the website at [www.rwchamber.com](http://www.rwchamber.com).

Currently two networking teams exist, the Tuesday Networking Team and the Thursday Networking Team. Both teams meet at 8:00 AM at the Romeo District Library in Washington Township. Members must show up promptly at 8:00 AM and must exhibit superb attendance. TNT Guidelines must be followed and are available on the website.
